LAPHAM-GRANT MATCHES

WILMINGTON, DE

Welcome to the second Century of the Lapham Grant Matches!

On behalf of the Organizing Committee, we are thrilled to welcome the distinguished athletes and diehard supporters to the historic Wilmington Country Club for the 101st playing of the Lapham-Grant Matches. As we embark upon the second century of the Lapham, we look forward to continuing the traditions of competition, sportsmanship and revelry.

Wilmington Country Club has a rich history of hosting sporting events including two previous Lapham-Grant Matches, the Can-Ams and several national championships culminating in the Junior National Doubles earlier this month. The club boasts two world class golf courses and in 2022 hosted the first ever PGA Tour event in Delaware, the BMW Championship.

We're also grateful to our partners at Vicmead Hunt Club, who will host doubles matches throughout the weekend. Food and drink will be provided at all venues to keep the athletes and their fan base sated and happy.

We look forward to an amazing weekend and are grateful to the competitors, supporters and sponsors who have so generously given their time and treasure to support these amazing tournaments.

Play well!

U.S. Captains, Ed Chilton and Willie Gaynor

Greetings,

I'm excited to welcome you to the great state of Delaware for the 2023 playing of the Lapham-Grant, Lawrence-Wilkins, and Crawford squash matches, hosted by the Wilmington Country Club and the Vicmead Hunt Club. We are happy to host this prestigious squash event for the third time.

We appreciate the fact that since 1922 the Lapham Cup events have brought Canadian and American squash enthusiasts together in a spirit of camaraderie, goodwill, and sportsmanship making it the longest, continuing annual amateur competition between our two great countries.

Thank you to the teams at the Wilmington Country Club and Vicmead Hunt Club for putting on what I know will be a memorable experience.

Enjoy all that Wilmington and the beautiful state of Delaware have to offer. Our state Office of Tourism has resources of the best things to do while you're in the First State: visitdelaware.com

Sincerely,

Dear Friends,

Welcome to the 101st Lapham-Grant Squash Matches Tournament, taking place in Wilmington, Delaware, this year – the third time in history it’s been held in the First State. We are honored that you have chosen our great state as your host and want to congratulate you on such a wonderful milestone.

Lapham-Grant has grown throughout the years as a pinnacle of strong community. It is encouraging to see such deference to sportsmanship from these two teams, comprised of athletes from the United States and Canada, who have been participating in this competition since 1922. That makes the Lapham-Grant Squash Matches historically one of the longest-running tournaments between our two countries, and as the matches are not refereed, each of these athletes’ adherence to the “standards of fair play” represents the greatest pride and respect these competitors can apply to their sport, and echoes the camaraderie and friendship of these two great nations.

We know that your tradition of exceptional sporting events between Canada and the United States will continue through your members. We are grateful to you for your ongoing legacy, and hope you enjoy your stay.

With best personal regards, we are

Sincerely yours,

Thomas R. Carper

President & Chief Executive Officer

Dear Players and Guests,

On behalf of US Squash, welcome to the Lapham-Grant.

Having just celebrated its centennial, this event serves as a constant in the squash community, bringing together old friends and fostering new relationships across the country and North America.

The mix of players from both sides of the border, across ages, genders and abilities, and versions of the game, singles and doubles, highlights squash at its best—a **meaningful lifelong sport for all**.

While the event is formally shared by the governing bodies of the U.S and Canada respectively, it is largely driven by very committed volunteers on both sides and we are deeply grateful to the long list of captains, organizers, participants, and clubs that have carried on the tradition over the last century.

I would like to thank the U.S. organizing committee led by Danny Dolan and Peter Dunne for all of their effort in support of this event to ensure its successful continuity. I also wish to express our deep gratitude to the spectacular Wilmington Country Club for playing host this special weekend.

I hope you all enjoy this very special edition of the Lapham-Grant.

Sincerely,

Kevin D. Klipstein
President & CEO, US Squash

LAPHAM, GRANT, CRAWFORD and LAWRENCE-WILKINS MATCHES

The Lapham Cup matches between Canada and the U.S.A., dating back to 1922, are believed to be one of the oldest amateur sporting events between two countries, having been played for 90 consecutive years. The Grant Trophy matches were inaugurated in 1945, the Crawford Trophy matches in 1999, and the Lawrence-Wilkins Trophy matches in 2001. These four events, held at the same time and venue, are hosted in alternate years by Canada and the United States.

Starting in 2000, all singles matches have been played with the international ball.

It is a tradition that the captains cooperate to make sure that their teams are balanced, and that matches are played in an atmosphere of camaraderie, goodwill, and sportsmanship. Matches are not refereed, therefore the highest standards of fair play are essential among participants. The matches also provide an opportunity for representatives from both sides of the border to discuss squash development initiatives. This grand social event has many unique traditions, including the Friday evening Captains' reception, roses for every lady attending the Saturday night banquet, a LG tie (or scarf) for every player participating in the event for the first time, and the Eric R. Finkelman Award for "questionable behaviour".

The coveted Lapham Cup is valued at over \$50,000 and is similar in size to hockey's Stanley Cup. It was donated in 1922 by Henry B. Lapham of Brookline, Massachusetts, for an international Men's singles team competition between the U.S.A. and Canada. The Grant Trophy was donated in late 1944 by Alastair Grant of Montreal for a similar Men's doubles competition. The Crawford Trophy was donated in 1999 by William Crawford of Vancouver in honour of his wife Richenda, for Ladies singles and doubles team competition. In 2001, Edgar A. Bracht of Toronto presented the Lawrence-Wilkins Trophy for the Men's "Legends" (overage 65) doubles team competition. It is named in honour of the truly legendary figures of Barney Lawrence of Kitchener-Waterloo, Ontario and C. Howard Wilkins Sr of Wichita, Kansas, both of whom did so much for the game, as players and builders.

LAPHAM - GRANT - CRAWFORD - LAWRENCE TROPHIES

The Lapham Cup matches between Canada and the U.S.A., dating back to 1922, are believed to be one of the oldest amateur sporting events between two countries, having been played for 90 consecutive years. Starting in 2000, all singles matches were played with the international 100.

The coveted **Lapham Cup** is valued at over \$50,000 and is similar in size to hockey's Stanley Cup. It was donated in 1922 by Henry B. Lapham of Brookline, Massachusetts, for an international Men's singles team competition between the U.S.A. and Canada.

The **Grant Trophy** was donated in late 1944 by Alastair Grant of Montreal for a similar Men's doubles competition, but was not part of Lapham's annual matches weekend until 1953. Three father-and-son teams played in the first Montreal playing of the Grant Cup. The trophy went missing for a decade but was later found in the basement of the Montreal Amateur Athletic Association (MAAA).

The **Crawford Trophy** was donated in 1999 by William Crawford of Vancouver in honour of his wife Richenda, for Ladies singles and doubles team competition.

In 2001, Edgar A. Bracht of Toronto presented the **Lawrence Wilkins Trophy** for the Men's "Legends" (over age 65) doubles team competition. It is named in honour of the truly legendary figures of Barney Lawrence of Kitchener-Waterloo, Ontario and C. Howard Wilkins Sr of Wichita, Kansas, both of whom did so much for the game, as players and builders.
